There seems to be no objection on principle to establish Courts at the Taluq Hd Quarters, as in these hard many qualified men are likely to be obtained in such places. Draft is submitted for approval. A long delay from the Manager for preliminaries.

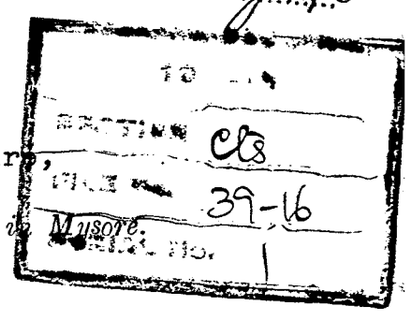
No. C. 247/3

DIARY No. 7196.



FROM

K. Doraswami Iyer Esquire,

Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
G e n e r a l *Department.*

SIR,

I have the honor to forward herewith for the orders of Government a copy of letter No. R.H.O./C.No.63 of 1916-17 dated 24th June/12th July 1916 together with its enclosures from the Deputy Commissioner Tumkur District reporting on the work done by the village courts in his District during the 15 months from 1st January 1915 to the end of March 1916 and proposing the establishment of additional courts at certain other places in view of the success which has attended the working of the scheme so far.

2. The proposals may be sanctioned.

I have the honor to be,

Sir,

Your most obedient servant,

Assistant Commissioner,
For Revenue Commissioner.
Absent from the Station.

R.S.

Letter No. R.H.O./C.No.63 of 1916-17 dated 24th June/12th July 191[illegible] from the Deputy Commissioner Tumkur District to the Revenue Commissioner in Mysore.

I have the honor to state that in Government notificatio No. J.822/ Cts.110-13-23 dated 18-9-1914, 18 village courts were sanctioned for the District under Sec. 3 of the Mysore village courts Regulation of 1913, and they came into operation on 1st January 1915. A statement showing the work done in these Courts during the 15 months from 1st January 1915 to 31st March 1916 is herewith submitted for perusal. It will be seen from the statement that with the exception of 6 courts, all the rest have done more or less work; 3 of the courts -- those at Bellavi, Koratagere and Kyatasandra having turned out exceptionally good work and 3 more, those at Holavanahalli, Midigesi, Doddamalur and Bukkapatna having got through a fair amount of business.

2. From enquiries made by me in the course of my tours in the District, I understand that these courts command the confidence of and are much appreciated by the public; and that there is a general desire for increasing their number and widening their jurisdiction. At every one of the Taluk Conferences held by me during the current year, I have received representations for the establishment of these Courts in additional localities. Considering the success which has attended the working of the scheme so far, I am of opinion that a further extension of it may safely be made with great advantage to the public. I think that the time has come when every Taluk Head Quarter town in which there is no Munsiff's Court may be provided with a village Court and that such Courts may also be established in all large villages where a fair amount of business is done and a sufficient number of intelligent persons competent to serve as Village Munsiffs and Jurors are available. A list of such places including Taluk Head Quarters - where I would suggest the establishment of additional Courts for the present, is herewith submitted, and I beg to recommend that sanction may be accorded for the esta

establishment of village courts in these places with effect from 1st September 1916.
